

GRAND LODGE OF IOWA

MCEC TECHNICAL SCHOLARSHIP

The Grand Lodge of Iowa, A.F. & A.M., located at 813 First Avenue SE, Cedar Rapids, is pleased to offer the **"Mark Earl and Esther Ruth Spencer Technical Scholarship"**. Scholarships will be awarded to a number of graduating Iowa high school seniors who plan to enroll in a mechanical or trade course of study at an accredited Iowa Community College. The scholarship may be used for any bona fide school related expenses such as tuition, fees, books, and tools.

Race, creed, religion, color, gender, or national origin have no bearing in the selection process. A Masonic connection is preferred, but not required. Recipients are selected after completing this written application. Applicants will not be interviewed.

A broad-based criterion is used in the selection process. An applicant's academic record, communication skills, and need for financial assistance are carefully considered along with an evaluation of the applicant by a school official. The organization, appearance, and completeness of the application are also factors considered by the selection committee.

Public high school seniors, who feel that they meet the criteria for eligibility and selection, are invited to submit applications. These applications may be obtained through the guidance department of any public high school or from the Grand Lodge of Iowa's website at www.grandlodgeofiowa.com, and all material must be **postmarked no later than March 1, 2023, for the application to be considered** by the committee.

Completed applications, as well as questions or comments, should be directed to:
